OLD BUSINESS

T-6 "Texan" Restoration (Hudson): NO CHANGE. The aircraft and missing parts that did not accompany the aircraft have been received and the final payment of \$15,000.00 was made on 11 March 2014. Assembly of the T-6 is complete, it has been repainted in Michigan ANG markings, landing gear pads have been poured, and temporary tie downs have been installed. The official roll out of the T-6 was held at 3:00 pm on Wed, 13 May 2015, after the Board of Directors meeting. A "viewing platform" has been approved by Base Safety, painted and awaits installation on concrete pads. The T-6 was put on display at the SANGB Centennial Open House. **OPEN** (Hudson)

Membership Increases (Hogan): Maj Gen Pochmara requested that a committee of Board members be formed to explore methods of expanding and sustaining MAGHA membership. Maj Hogan volunteered to chair that committee with Mr. Handleman, Lt Col Nigro, Maj Gen Pochmara, and CMSgt Fetty as committee members. The committee will meet at the call of the Chairman at a date to be determined to discuss ideas. Maj Gen Pochmara asked that each committee member come prepared with two ideas to expand/sustain membership. The committee met after the Board meeting and Committee members were provided with the suggestions made at the meeting for review and final discussion/approval at the 9 August 2017 Board meeting. Suggestions included hiring a telemarketing professional, calling select lapsed members, approaching the Base Community Council for membership support, encouraging Legacy Life members to become Life members, developing a recurring special event focus to our activities for members, conducting a raffle to include MAGHA membership, lock in RVS rates with status upgrades, increase Life membership threshold incrementally, holding one big event per year with the cost to include membership, and approaching all MI National Guard units, all Selfridge military units, the CAP, and civilian aviation organizations for membership support. Maj Hogan will attempt to heighten awareness of our organization at service clubs (e.g., Rotary, Kiwanis, Optimist, Lions, Yankee Air Museum, AOPA, EAA, VFW, VVA, and the American Legion) and on social media (including our Facebook page). Further, he will examine the possibility of establishing a Pay Pal account to facilitate membership donations. Maj Gen P o c h m a r a recommended that the MAGHA membership application be changed as shown on the attached and to eliminate the "Legacy Life" membership category as soon as possible. **OPEN** (Hogan)

New Displays (Krings/Hudson): NO CHANGE Mr. Krings and Mr. Hudson continues to be authorized to explore new displays using information from our "wish list" at the NMUSAF and databases of aircraft assigned to Selfridge ANG Base and the Michigan ANG. Further, Mr. Hudson and Lt Col Nigro will meet at the earliest opportunity to review and prioritize deficiencies on existing Air Park assets and to establish a near-term list (including tentative costs) of new displays. Mr. Krings was requested to explore the acquisition of a C-47 and a Humvee. **OPEN** (Krings/Hudson)

FG-1D "Corsair" Restoration (Krings/Rohrbeck): NO CHANGE Mr. Krings and Mr. Rohrbeck are the POCs for the project and a formal Restoration Plan has been submitted to the USMC Museum in Quantico VA. Preliminary approval has been obtained and more details on the restoration, including progress photos, are being submitted. Lt Col Nigro contacted the USMC Museum to establish a direct link between Lt Col Nigro and the USMC Museum to insure they get what they need from us. To facilitate restoration during the winter months, a gas line to Bldg 1045 (Restoration) has been installed, tied into a meter on the building, and radiant heat has been installed. Lt Col Nigro will remain as the interface between the USMC Museum and MAGHA. Portions of the FG-1D "Corsair" were put on display at the SANGB Centennial Open House. **OPEN** (Krings/Rohrbeck)

Dues Increase Proposal (Pochmara): HISTORY: In 2000 when LTC Nigro became the Executive Director, the membership dues schedule established by Col Stone in 1975 was \$10.00 for a yearly membership and \$25.00 for a Life membership. In 2002, the Board of Directors changed the membership dues schedule to \$25.00 for a yearly membership, \$250.00 for a Life membership, \$500.00 for a Sustaining membership, and \$1,000.00 for a Patron membership with membership donations being cumulative. Further, The Board established a “once a Life Member always a Life Member” policy, a policy that continues to this date. Members affected by this policy became known as “Legacy Life Members” and there are presently 55 Life Members so categorized. In 2011, the cumulative donation procedure was deleted to make the MAGHA donation policy consistent with that of other nonprofit organizations. DISCUSSION: Several options were discussed including a flat percentage increase in membership dues, establishment of a “family membership” rate, a tiered membership rate dependent on the member’s status (active, retired, and other), a tiered membership rate dependent on the member’s military grade (airman, NCO, senior NCO, company grade officer, field grade officer, General officer, and none) and tiered membership benefits. After considerable discussion, a motion was made by CMSgt Viterna and seconded by Col Krajnik to table this item until the need to increase dues become necessary and at that time to raise the yearly dues by \$5.00 to \$30.00 per year and to make no changes to the Life, Sustaining, and Patron membership thresholds. Maj Hogan will send a special letter to “Legacy Life” members asking them to consider donating additional funds to bring them up to the current Life membership donation threshold as soon as possible and then eliminate the “Legacy Life” membership category. Ayes: All. Nays: None. Motion approved. **OPEN** (Nigro)

Air Park Master Plan Including Possible Expansion (Hudson): NO CHANGE Col Krajnik presented a draft of the Master Plan. After discussion, a motion was made by Maj Hogan and seconded by Mr. Handleman for Col Krajnik, Lt Col Nigro, and Mr. Hudson to continue the planning efforts to see this plan thru to fruition including a priority list of near and long term projects for discussion at a future meeting. Ayes: All. Nays: None. Motion approved. **OPEN** (Hudson/Nigro)

New RVS Parking Area (Nigro): Use of the new RVS parking lot on the east side of Doolittle Avenue south of C Street awaits formal approval by the Facilities Utilization Board (FUB), development of a parking plan, completion of underground cable line construction, and consideration of a fence around the area once the Main Gate is moved south allowing unrestricted access to the Museum. A security fence around the new RVS parking area was deemed not necessary. Lt Col Nigro was tasked to confirm that the area has, in fact, been approved by the FUB and have Civil Engineering modify the parking plan to address the underground cable line issue. Per Civil Engineering, the area has NOT been approved by the FUB and no action has been taken to develop a parking plan. Per Base Communications, although underground cable line construction is complete, the underground cable lines must be encased in concrete (at MAGHA expense) to prevent damage from RVs. Further, our license is up for renewal and adding a second RV parking area to our license may jeopardize renewal by the NGB. Additionally, the 1st Battalion, 24th Marines are now using the area for POV parking on training weekends and deployments, freeing up the paved parking area east of the Museum for Museum guest parking. After considerable discussion, Col Krajnik made a motion that was supported by Maj Gen Pochmara to table this item until our existing license is renewed and then discuss this issue at a later date, particularly if/when expansion of the Border Patrol requires us to vacate our existing RVS parking area. Ayes: All. Nay: None. Motion approved. **OPEN** (Nigro)

Fund Raiser (Bowles): A flier for a proposed fund raiser was developed by Museum Volunteer Leilani Bowles. After discussion, a motion was made by Maj Hogan and seconded by CMSgt Viterna to approve the fund raiser for a December 2018 target date with Leilani Bowles authorized to continue planning the event. Ayes: All. Nay: None. Motion approved. **OPEN** (Nigro)

Board of Directors Review (Nigro): The composition of our Board of Directors was discussed, including how to address the issue of a number of Board members who have been unable to participate in meetings. LTC Nigro recommended that, after a discussion with those members, they become a "Board Member Emeritus" to recognize their prior involvement as active members. This new class would not entail any voting power. After discussion, Maj Gen Pochmara made a motion that was seconded by Mr. Handleman for (1) LTC Nigro to develop a resolution honoring Brig Gen Harold Rudolph's contributions to MAGHA, (2) LTC Nigro to discuss the "Board Member Emeritus" proposal with the Board members effected, (3) LTC Nigro to contact Col Teff [110 Attack Wing/CC], the VP-93 Alumni Association, the Selfridge Public Affairs Office, and CMSgt Wayne Fetty [Selfridge Heritage House], (4) Col Krajnik to contact Selfridge Civil Engineering (LTC Enderby) and the Comptroller's Office (Maj Hopp), and (5) Mr. Handleman to contact the Selfridge Base Community Council to determine if the organizations noted above would be willing to provide active support to our Board of Directors. Ayes: All. Nay: None. Motion approved. LTC Nigro was requested to develop an amendment to our By-Laws that would make the Executive Director a voting member of the Board and to change the term of service to four years renewable. **OPEN** (Nigro).

NEW BUSINESS

LTC Nigro was tasked to develop a resolution honoring the contributions made to MAGHA by Brig Gen Harold Rudolph for adoption at an upcoming Board Meeting. **OPEN** (Nigro).

There being no further business to bring before the Board, a motion was made by CMSgt Viterna and seconded by Maj Hogan to adjourn the meeting at 3:03 pm. Ayes: All. Nays: None. Motion approved.

Respectfully submitted
