## **OLD BUSINESS**

**T-6 “Texan” Restoration** (Krings): The aircraft and missing parts that did not accompany the aircraft have been received and the final payment of \$15,000.00 was made on 11 March 2014. Assembly of the T-6 is complete, it has been repainted in Michigan ANG markings, landing gear pads have been poured, and temporary tie downs have been installed. The official roll out of the T-6 was held at 3:00 pm on Wed, 13 May 2015, after the Board of Directors meeting. A “viewing platform” has been approved by Base Safety and awaits painting and installation on concrete pads. The T-6 will be put on display at the SANGB Centennial Open House. **OPEN** (Krings)

**Membership Increases** (Hogan): Maj Gen Pochmara requested that a committee of Board members be formed to explore methods of expanding and sustaining MAGHA membership. Maj Hogan volunteered to chair that committee with Mr. Handleman, Lt Col Nigro, Maj Gen Pochmara, and Brig Gen Rudolph as committee members. The committee will meet at the call of the Chairman at a date to be determined to discuss ideas. Maj Gen Pochmara asked that each committee member come prepared with two ideas to expand/sustain membership. The committee met after the Board meeting and Committee members were provided with the suggestions made at the meeting for review and final discussion/approval at the 9 August 2017 Board meeting. **OPEN** (Hogan)

**New Displays** (Krings): **NO CHANGE** Mr. Krings continues to be authorized to explore new displays using information from our “wish list” at the NMUSAF and databases of aircraft assigned to Selfridge ANG Base and the Michigan ANG. Further, Mr. Krings and Lt Col Nigro will meet at the earliest opportunity to review and prioritize deficiencies on existing Air Park assets and to establish a near-term list (including tentative costs) of new displays. **OPEN** (Krings)

**FG-1D “Corsair” Restoration** (Krings): Mr. Krings is the POC for the project and a formal Restoration Plan has been submitted to the USMC Museum in Quantico VA. Preliminary approval has been obtained and more details on the restoration, including progress photos, are being submitted. Lt Col Nigro contacted the USMC Museum to establish a direct link between Mr. Krings and the USMC Museum to insure they get what they need from us. To facilitate restoration during the winter months, a gas line to Bldg 1045 (Restoration) has been installed, tied into a meter on the building, and radiant heat has been installed. Lt Col Nigro will remain as the interface between the USMC Museum and MAGHA. The FG-1D “Corsair” will be put on display at the SANGB Centennial Open House **OPEN** (Krings)

**Dues Increase Proposal (Pochmara):**

**HISTORY:** In 2000 when LTC Nigro became the Executive Director, the membership dues schedule established by Col Stone in 1975 was \$10.00 for a yearly membership and \$25.00 for a Life membership. In 2002, the Board of Directors changed the membership dues schedule to \$25.00 for a yearly membership, \$250.00 for a Life membership, \$500.00 for a Sustaining membership, and \$1,000.00 for a Patron membership with membership donations being cumulative. Further, The Board established a “once a Life Member always a Life Member” policy, a policy that continues to this date. Members affected by this policy became known as “Legacy Life Members” and there are presently 55 Life Members so categorized. In 2011, the cumulative donation procedure was deleted to make the MAGHA donation policy consistent with that of other nonprofit organizations.

**DISCUSSION:** Several options were discussed including a flat percentage increase in membership dues, establishment of a “family membership” rate, a tiered membership rate dependent on the member’s status (active, retired, and other), a tiered membership rate dependent on the member’s military grade (airman, NCO, senior NCO, company grade officer, field grade officer, General officer, and none) and tiered membership benefits.

After considerable discussion, a motion was made by CMSgt Viterna and seconded by Col Krajnik to table this item until the need to increase dues become necessary and at that time to raise the yearly dues by \$5.00 to \$30.00 per year and to make no changes to the Life, Sustaining, and Patron membership thresholds. Lt Col Nigro was requested to develop a special letter to “Legacy Life” members asking them to consider donating additional funds to bring them up to the current Life membership donation threshold. Ayes: All. Nays: None. Motion approved.

**OPEN** (Nigro)

**Air Park Master Plan Including Possible Expansion (Krings): NO CHANGE** Col Krajnik presented a draft of the Master Plan. After discussion, a motion was made by Maj Hogan and seconded by Mr. Handleman for Col Krajnik, Lt Col Nigro, and Mr. Krings to continue the planning efforts to see this plan thru to fruition including a priority list of near and long term projects for discussion at a future meeting. Ayes: All. Nays: None. Motion approved. **OPEN** (Krings/Nigro)

**Museum Displays at SANGB 2017 Open House and at the Detroit Historical Museum (Krings/Heaton):** The Museum plans to display the SPAD, the T-6, the FG-1D, the UH-1, an M-151A2 “Jeep”, the 2.5 ton military truck and MAGHA solicitation letters at the SANGB 2017 Open House. TSgt Heaton was provided with a list of proposed displays for the Detroit Historical Museum display and will brief the Board at our next meeting on what he proposes to use. **OPEN** (Krings/Heaton).

**New RVS Parking Area (Nigro):** Use of the new RVS parking lot on the east side of Doolittle Avenue south of C Street awaits formal approval by the Facilities Utilization Board (FUB), development of a parking plan, completion of underground cable line construction, and consideration of a fence around the area once the Main Gate is moved south allowing unrestricted access to the Museum. A security fence around the new RVS parking area was deemed not necessary as the new area will be inside the confines of the secure SANGB perimeter. Lt Col Nigro was tasked to confirm that the area has, in fact, been approved by the FUB and modify the parking plan to address the underground cable line issue. **OPEN** (Nigro)

**Possible Change in Vetting Requirements for General Public Visitors (Nigro): NO CHANGE** Currently guests that arrive during our General Public hours are vetted real-time by Security. Due to staffing, the Security Forces Commander has broached the possibility that Security may require 72-hours advance notice using the Selfridge ANGB Pre-Authorization Access Request List. **OPEN** (Nigro)

## NEW BUSINESS

**Proposed Increase in Minimum Charge for General Public Visitors** (Nigro): We presently charge \$4.00 for guests over the age of 12 and \$3.00 for guests between 12 and 4 years of age who arrive during our “general public” hours. It has been suggested that we increase that charge to (1) \$5.00 for guests over the age of 12, (2) \$4.00 for seniors over the age of 65 and active/retired/former military members, and (3) \$3.00 for guests between 12 and 4 years of age. After discussion, a motion was made by Maj Hogan and seconded by Brig Gen Rudolph to approve the suggestion effective 1 April 2017 and to change Museum literature to reflect that change. Ayes: All. Nays: None. Motion approved. **CLOSED**

**Designation of the Selfridge Military Air Museum as a Concealed Carry Restricted Zone** (Nigro): After discussion, a motion was made by Lt Col Veara and seconded by Mr. Gompers to temporarily not designate the Museum and Air Park as a Concealed Carry Restricted Zone and to revisit the issue if the deed arises. Ayes: All. Nays: None. Motion approved. **CLOSED**

There being no further business to bring before the Board, a motion was made by Mr. Gompers and seconded by Maj Hogan to adjourn the meeting at 3:03 pm. Ayes: All. Nays: None. Motion approved.

Respectfully submitted
